

## Fill in the gaps

| I'm lying alone                    |
|------------------------------------|
| With my head on the phone          |
| Thinking of you (1) it hurts       |
| I know you hurt too                |
| But what else can we do            |
| Tormented and torn apart           |
| I wish I (2) carry                 |
| Your smile in my heart             |
| For times when my (3) seems so low |
| It would make me believe           |
| What tomorrow could bring          |
| When today doesn't really know     |
| Doesn't (4) know                   |
| I'm all out of love                |
| I'm so lost without you            |
| I know you were right              |
| Believing for so long              |
| I'm so out of love                 |
| What I'm I without you             |
| I can't be too late                |
| To say that I was so wrong         |
| I want you to (5) back             |
| And (6) me home                    |
| Away from these long loney nights  |
| I'm (7) for you                    |
| Are you feeling it too             |
| Does the feeling seem oh so right  |
| And what would you say             |
| If I called on you now             |
| And said that I can't hold on      |
| There's no easy way                |
| It gets hearder eachday            |
| Please love me or I'll be gone     |
| I'll be gone                       |
| I'm all out of love                |
| I'm so (8) without you             |
