### Please Don't Say You Love Me by Gabrielle Aplin

Summer comes and winter fades			'Cause I might not say it back	
Here we are (1)	the same	me Fools rush in		
Don't need pressure, don't need change			And I've been fooled before	
Let's not give the game away			This time I'm gonna slow it down	
There used to be an empty space			'Cause I think this could be more	
A photograph without a face			The (6)	_ I'm looking for
But with your presence and your grace			Just please don't say you love me	
Everything falls into place			'Cause I might not say it back	
Just please don't say you love me			Doesn't mean my heart stops skipping	
'Cause I might not say it back		When you look at me like that		
Doesn't mean my heart stops skipping		There's no need to worry when		
When you look at me like that		You see just where we're at		
There's no need to worry when			Just please don't say you (7) me	
You see just where we're at			'Cause I (8) not say it back	
Just please don't say you love me			Please don't say you love me	
'Cause I might not say it back			'Cause I might not say it back	
Heavy words are hard to take			Doesn't mean my heart stops skipping	
Under (2)	(3)	things	When you look at m	e (9) that
can break			There's no need to v	worry when
And how we feel is hard to fake			You see just where we're at	
So let's not give the game away			Just please don't say you love me	
Just please don't say you love me			'Cause I might not say it back	
'Cause I (4) r	not say it back		Just please don't sa	y you love me
Doesn't mean my heart stops skipping			'Cause I might not say it back	
When you look at me like that				
There's no need to (5) when				
You see just where we're a				
Just please don't say you love me
