Fill in the gaps

Please Don't Say You Love Me by Gabrielle Aplin

Summer (1) and (2) fades	'Cause I might not say it back
Here we are (3) the same	Fools (14) in
Don't need pressure, don't need change	And I've been fooled before
Let's not (4) the (5) away	This time I'm gonna slow it down
There used to be an empty space	'Cause I think this (15) be more
A (6) without a face	The (16) I'm looking for
But with your presence and (7) grace	Just please don't say you love me
Everything falls into place	'Cause I might not say it back
Just please don't say you love me	Doesn't mean my (17) stops skipping
'Cause I might not say it back	When you (18) at me like that
Doesn't mean my heart stops skipping	There's no need to worry when
When you look at me like that	You see just (19) we're at
There's no need to worry when	Just please don't say you (20) me
You see just (8) we're at	'Cause I (21) not say it back
Just please don't say you love me	Please don't say you (22) me
'Cause I might not say it back	'Cause I (23) not say it back
Heavy words are hard to take	Doesn't mean my heart stops skipping
Under (9) precious (10)	When you look at me like that
can break	There's no (24) to worry when
And how we feel is hard to fake	You see (25) where we're at
So let's not give the game away	Just please don't say you (26) me
Just (11) don't say you love me	'Cause I might not say it back
'Cause I (12) not say it back	Just please don't say you (27) me
Doesn't mean my heart stops skipping	'Cause I might not say it back
When you look at me like that	
There's no need to worry when	
You see (13) where we're at	
Just please don't say you love me
