

I ride all (1) and can't see			
The road to nowhere anymore			
And shadows whispers are calling me			
To forbidden forests by the shore			
And there she fell, deep in the night			
One breath away from heaven's light			
And she said - don't cry for me, I'm leaving yo			
The wind cries her name in the breeze			
But I can't hold her anymore			
Some fallen angel had (2) to me			
And fell to heavy on my soul			
And stole from me the love that I heard			
Lords of time say never die			
And said - don't cry for me, cause I'll be
