JUB inglés

I'll be giving up

Love is always hunted

But your arrows are soaring through my chest

Fill in the gaps

'Cause you know you give me something

You & Me by Disclosure & Eliza Doolittle

Home is (1) the heart is	Yeah, you give me exactly what I need
And I gave it to you in a (2) bag	Got my blood pumping
Even though it's tarnished	You know you always draw more blood, I bleed
You told me it's the best you ever had	So please don't let go 'cause you know
You got my (3) combination	Exactly what we found
And I don't be giving that out easily	So please don't let go, my darling
With my (4) dedication	You keep me hooked up underground
You can tell (5) you were brought the same for me	It's (6) be you (you)
So please don't let go 'cause you know	And me (me)
Exactly what we found	It's gonna be everything (7) ever
So please don't let go, my darling	dreamed
You keep me hooked up underground	It's gonna be who (who)
t's gonna be you (you)	And me (me)
And me (me)	It's gonna be everything
t's gonna be everything you've ever dreamed	And everything we're (8) to be
t's gonna be who (who)	In (9) big house on the hills
And me (me)	Where you keep your Dollar bills
t's gonna be everything	And you stashed my heart
And everything we're meant to be	Somewhere in the dark
We're meant to be	Keep it safe I know you will
Rolling with the punches	Know you will, know you will, know you will
So they won't get inside our happiness	I know you will
