## You & Me by Disclosure & Eliza Doolittle

I'll be giving up	'Cause you know you give me something
Home is where the heart is	Yeah, you give me exactly what I need
And I gave it to you in a (1) bag	Got my blood pumping
Even though it's tarnished	You know you always draw more blood, I bleed
You told me it's the best you ever had	So please don't let go 'cause you know
You got my secret combination	Exactly what we found
And I don't be giving that out easily	So please don't let go, my darling
With my deepest dedication	You keep me hooked up underground
You can tell (2) you were brought the same for me	It's gonna be you (you)
So please don't let go 'cause you know	And me (me)
Exactly what we found	It's gonna be (6) you've ever
So please don't let go, my darling	dreamed
You keep me hooked up underground	It's gonna be who (who)
It's gonna be you (you)	And me (me)
And me (me)	It's gonna be everything
It's gonna be (3) you've ever	And everything we're (7) to be
dreamed	In you're big (8) on the hills
It's gonna be who (who)	Where you (9) your (10) bills
And me (me)	And you stashed my heart
It's gonna be everything	Somewhere in the dark
And everything (4) meant to be	Keep it safe I know you will
We're meant to be	Know you will, know you will, know you will
Rolling with the punches	I know you will
So they won't get inside our happiness	
Love is always hunted	
But your (5) are soaring through my chest	

- 1. paper
- 2. that
- 3. everything
- 4. we're
