## Wrapped Around Your Finger by The Police

ou consider me the young apprentice
Caught between the Scylla and Charybdis
dypnotized by you if I should linger
Staring at the ring around your finger
have only come here (1) knowledge
hings they would not teach me of in college
can see that destiny you sold
urned into a shining (2) of gold
Il be wrapped (3) your finger
Il be wrapped (4) your finger
Mephistopheles is not (5) name
know what you're up to just the same
will listen hard to your 'tuition
ou will see it come to it's fruition
ll be (6) around your finger
Il be wrapped around (7) finger
Devil and the deep blue sea behind me
anish in the air you'll never find me
will turn (8) flesh to alabaster
hen you'll find your servant is your master
Oh oh)
ou'll be wrapped (9) my finger
ou'll be wrapped around my finger
ou'll be wrapped (10) my finger
Oh oh)
