

## Fill in the gaps

Bat your eyes girl	She (18) in the morning
Be otherworldly	She knew that her (19) had passed her by
Count (1) blessings	And she called out a warning
Seduce a stranger	Warning
What's so wrong with bein' happy?	Don't ever let (20) pass you by
Kudos to those who	Floating in this
See through sickness, yeah	Cosmic Jacuzzi
Over and over and (2) and over	We are like
	Frogs oblivious
She (3) in the morning	To the water
She (4) (5) her (6) had	Starting to boil
passed her by	No one flinches
And she (7) out a warning	We all float (21) down
Don't (8) let life pass you by	She woke in the morning
I suggest we	She (22) that her life had passed her by
Learn to (9) (10) before it's	And she called out a warning
Made illegal	Warning
When (11) we learn? (when (12) we	Don't ever let life (23) you by
learn?)	Pass you by
When (13) we change? (when (14) we	(Ohh, ohh, ohh)
change?)	
Just in (15) to see it all come down	
Those left standing	
Will make millions	
Writing (16) on the way it should (17)	
been
