Lost in stereo, lost in stereo)		Waiting for so long	
Lost in stereo, lost in stereo)		But she'll never know	
She (1) for	the weekend	I'm (9)	hope 'cause she's so
Mix tape of her favorite bands		Lost in stereo, lost in stereo	
earin' up the radio		And I'm just (10) cellophane	
ost in the stereo sound		'Cause she sees right through me	
She's trouble in a tank top		I know she's glitter and gold	
Pretty little time bomb		And that's just the price I pay	
Blowing up, I'll take you down		When I don't even know her name	
Living in the radio		She's slipping away	
ost in the stereo sound		She works for the weekend	
She's dancing alone		Mix tape of her favorite bands	
'm ready to go		Tearin' up the radio	
But she's so (2) in stereo, lost in stereo		Lost in the stereo sound	
She's out of control, so beautiful		She's dancing alone	
In stereo, (3) in stereo)		I'm ready to go but she's so	
And I've been		(Lost in stereo, lost in stereo)	
Vaiting for so long		She's out of control, so beautiful	
But she'll never know		(In stereo, lost in stereo)	
m losing hope 'cause she's so		And I've been	
Lost in stereo, lost in stereo)		Waiting for so long	
Lost in stereo, lost in stereo)		But she'll never know	
Shake down on a Saturday		I'm losing hope 'cause she's so	
Sit back (4) catch my breath		(Lost in stereo, lost in stereo)	
Cause (5) time I see her		(She's dancing alone)	
know she's gonna (6)_	it back somehow	I'm ready to go	but she's so
Fattoos and a switchblade attitude		(Lost in stereo, lost in stereo)	
Snakebite heart with a (7) smile	She's out of cor	ntrol, so beautiful
Sex in stereo		(In stereo, lost in stereo)	
Don't turn the (8) down		And I've been	
She's dancing alone		Waiting for so long	
'm ready to go but she's so		But she'll never know	
Lost in stereo, lost in stereo)		I'm losing hope 'cause she's so	
She's out of control, so beautiful		(Lost in stereo, lost in stereo)	
In stereo, lost in stereo)			
And I've been
