

The love that I need

Fill in the gaps

I'm (1) of waiting	To rescue the state of my heart
An' closing my eyes	I'm looking for love
I'm asking myself	An' finding only heartache
Why is it all my horizons	I'm looking for love
Are so far away	An' finding only heartache
I look in the mirror	I'm looking for (6) to (7) or
Don't like what I see	Looking for love, a shoulder to cry on
In my reflection	I'm looking for love
A stranger is staring at me	To rescue the state of my heart
Looking for love	To rescue the state of my heart
The love of a woman	I'm looking for love
The needs of a man	An' finding only heartache
And I try so hard to believe	I'm looking for love
But I don't understand	An' finding only heartache
The search goes on	I'm looking for love to rely on
But over the mountains	Looking for love, a shoulder to cry on
Across the sea	I'm looking for love
I know love is waiting	To rescue the state of my heart
I hear it (2) to me	I'm looking for love
Calling my name	An' finding only heartache
I'm looking for love all around me	I'm looking for love
Looking for love to surround me	An' finding only heartache
The love (3) I need	I'm looking for love to rely on
To (4) the state of my heart, yeah	Looking for love, a shoulder to cry on
Alone again, it's always the same	I'm looking for love
Well, I've just been (5) my time	To rescue the state of my heart
Since the day I was born	To rescue the state of my heart
With no one to blame	To rescue the state of my heart
The candle is burning	To (8) the state of my heart
It's way down low	
I just need someone	
To show me the way	
The way to go, which way to go	
I'm looking for love all around me	
Looking for love to surround me
