

Now that it's all said and done I can't believe you were the one To build me up then tear me down Like an old abandoned house And what you said when you left Just left me cold and out of breath I fell too far, was in way too deep Guess I let you get the best of me... Well, I never saw it coming I should've started running A long, long time ago And I never (1)\_ \_\_ to doubt you I'm better off without you More than you, more than you know I'm slowly getting closure I guess it's really over I'm finally getting better Now I'm picking up the pieces I'm spending all of these years Putting my heart back together 'Cause the day I thought I'd never get through I got over you You took a hammer to these walls Dragged the memories down the hall Packed your bags and (2)\_ There was nothing I could say And when you slammed the front door shut A lot of others opened up So did my eyes so I could see That you never were the (3)\_\_\_\_\_ for me Well, I never saw it coming

I should've started running
A long, long time ago

I'm better off without you

And I never thought to doubt you

More than you, more than you know
