

Now that it's all said and done				
I can't believe you were the one				
To build me up then (1) me down				
Like an old abandoned house				
And what you said (2) you left				
Just left me cold and out of breath				
I fell too far, was in way too deep				
Guess I let you get the best of me				
Well, I (3) saw it coming				
I should've started running				
A long, long time ago				
And I never thought to doubt you				
I'm better off (4) you				
More (5) you, more than you know				
I'm slowly getting closure				
I guess it's really over				
I'm finally getting better				
Now I'm picking up the pieces				
I'm (6) all of these years				
,,				
Putting my (7) back together				
Putting my (7) back together				
Putting my (7) back together 'Cause the day I thought I'd never get through				
Putting my (7) back together 'Cause the day I thought I'd never get through I got over you				
Putting my (7) back together 'Cause the day I thought I'd never get through I got over you You took a hammer to (8) walls				
Putting my (7) back together 'Cause the day I thought I'd never get through I got over you You took a hammer to (8) walls Dragged the memories down the hall				
Putting my (7) back together 'Cause the day I thought I'd never get through I got over you You took a hammer to (8) walls Dragged the memories down the hall Packed your bags and walked away				
Putting my (7) back together 'Cause the day I thought I'd never get through I got over you You took a hammer to (8) walls Dragged the memories down the hall Packed your bags and walked away There was nothing I could say				
Putting my (7) back together 'Cause the day I thought I'd never get through I got over you You took a hammer to (8) walls Dragged the memories down the hall Packed your bags and walked away There was nothing I could say And when you slammed the front door shut
