

Fill in the gaps

Now that it's all said and done	I'm slowly getting closure
I can't believe you (1) the one	I (13) it's (14) over
To build me up (2) tear me down	I'm finally getting better
Like an old (3) house	Now I'm picking up the pieces
And what you said when you left	l'm (15) all of (16) years
Just left me cold and out of breath	Putting my heart back together
I fell too far, was in way too deep	'Cause the day I thought I'd never get through
Guess I let you get the best of me	I got over you
Well, I never saw it coming	Well, I never saw it coming
I should've started running	I should've started running
A long, long time ago	A long, long time ago
And I (4) thought to doubt you	And I (17) thought to doubt you
I'm better off without you	I'm (18) off (19) you
More (5) you, more than you know	More than you, (20) than you know
I'm slowly getting closure	Well, I never saw it coming
I guess it's really over	I should've started running
I'm (6) getting better	A long, long time ago
Now I'm picking up the pieces	And I never thought to doubt you
I'm spending all of these years	I'm better off (21) you
Putting my (7) back together	More (22) you, (23) than you know
'Cause the day I thought I'd never get through	I'm slowly getting closure
I got over you	I guess it's really over
You took a hammer to these walls	I'm (24) getting better
Dragged the memories down the hall	Now I'm (25) up the pieces
Packed your bags and walked away	I'm (26) all of these years
There was nothing I could say	Putting my heart (27) together
And when you slammed the front door shut	I'm putting my heart back together
A lot of others opened up	'Cause I got over you
So did my eyes so I could see	I got (28) you
That you (8) were the best for me	I got over you
Well, I never saw it coming	'Cause the day I (29) I'd never get through
I should've started running	I got over you
A long, long time ago	
And I never (9) to (10) you	
I'm better off without you	
More (11) you (12) than you know
