Fill in the gaps

I'm staring out into the night
Trying to hide the pain
I'm going to the place where love
And feeling good don't ever cost a thing
And the pain you feel's a different kind of pain
I'm going home
Back to the place where I belong
And where your love has always been enough for me
I'm not running from
No, I think you got me all wrong
I don't regret this life I chose for me
But these places and these faces are getting old
So I'm (1)_____ home
Well I'm going home
The miles are getting longer, it seems
The closer I get to you
I've not always been the best man or (2)_____ for
you
But your love, remains true
And I don't know why
You always seem to give me another try
So I'm going home
Back to the place where I belong
And where your love has (3)_____ been
Enough for me

I'm not running from
No, I (4)_____ you got me all wrong
I don't regret (5)_____ life I chose for me
But these places and these faces are getting old
Be (6)_____ what you wish for
'Cause you just might get it all
You just might get it all
And then some you don't want
Be (7)_____ what you wish for
'Cause you just might get it all
You just (8)_____ get it all, yeah
Oh, well I'm going home
Back to the place where I belong
