

Fill in the gaps

I'm staring out into the night	I'm not running from
Trying to hide the pain	No, I (13) you got me all wrong
I'm going to the place (1) love	I don't regret (14) life I (15) for me
And feeling good don't ever (2) a thing	But these places and these faces are getting old
And the pain you feel's a (3)	Be (16) what you wish for
(4) of pain	'Cause you (17) might get it all
I'm (5) home	You just might get it all
Back to the place where I belong	And then some you don't want
And where your love has always been enough for me	Be careful what you wish for
I'm not running from	'Cause you (18) might get it all
No, I think you got me all wrong	You just (19) get it all, yeah
I don't regret (6) life I chose for me	Oh, (20) I'm going home
But (7) places and (8) faces are	Back to the place (21) I belong
getting old	And where your (22) has (23)
So I'm going home	(24) enough for me
Well I'm (9) home	I'm not running from
The miles are (10) longer, it seems	No, I think you got me all wrong
The closer I get to you	I don't regret (25) life I chose for me
I've not always been the best man or friend for you	But these places and these faces are getting old
But your love, remains true	I said these places and (26) faces are getting
And I don't (11) why	old
You always seem to give me (12) try	So I'm going home
So I'm going home	I'm (27) home
Back to the place where I belong	
And where your love has always been	
Enough for me
