I'm staring out into the night

Trying to hide the pain

I'm going to the place where love

And feeling good don't ever cost a thing

And the pain you feel's a different kind of pain

I'm (1)_____ home

Back to the place where I belong

And (2)_____ your love has always been enough for me

I'm not running from

No, I think you got me all wrong

I don't regret this (3)_____ I chose for me

But these places and these faces are (4)_____ old

So I'm going home

Well I'm going home

The miles are getting longer, it seems

The closer I get to you

I've not always been the best man or friend for you

But your love, remains true

And I don't (5)_____ why

You always seem to give me another try

So I'm going home

Back to the place where I belong

And where your love has always been

Enough for me

I'm not running from

No, I think you got me all wrong

I don't regret this life I chose for me

But these places and these faces are getting old

Be careful what you wish for

'Cause you just might get it all

You just might get it all

And then some you don't want

Be (6)_____ what you wish for

'Cause you just might get it all

You just might get it all, yeah

Oh, well I'm going home

Back to the place where I belong

And where (7)_____ love has always been enough for me

I'm not (8)_____ from

No, I think you got me all wrong

I don't regret this (9)_____ I chose for me

But (10)_____ places and these faces are getting old

I said these places and these faces are getting old

So I'm going home

I'm going home
