### Fill in the gaps

#### One Day Like This by Sarah Brightman

Drinking in the morning sun	So throw those curtains wide
Blinking in the (1) sun	One day like (6) a year would see me right
Shaking off the heavy one	Throw those curtains wide
Oh, heavy like a loaded gun	One day like this a year (7) see me right
What made me behave that way?	Throw those curtains wide
Using words I never say?	One day like this a year would see me right
I can only think it must be love	Throw those curtains wide
Oh anyway	One day like (8) a year would see me right
It's looking like a beautiful day	Throw those curtains wide
Someone tell me how I feel	One day like this a year would see me right
It's silly wrong, but vivid right	Throw those curtains wide
Oh, kiss me like the final meal	One day like this a year would see me right
Yeah, kiss me (2) we die tonight	Throw those curtains wide
'Cause holy cow, I love your eyes	One day like this a year (9) see me right
And only now I see the light	Throw those curtains wide
Yeah, lying with me (3) awake	One day like this a year would see me right
Oh, anyway	
It's looking (4) a (5) d	ay
