

Like ships in the night

Fill in the gaps

Like ships in the night	And I'm at the (16) waiting on a second
You keep (1) me by	plane
We're just wasting time	Had to pack and you had cramps and I was late
Trying to prove who's right	Headed to a red carpet they won't (17) my name
And if it all goes (2) into the sea	Riding in silence all that we (18) say
If it's (3) you and me	About to board when you call on the phone
Trying to find the light	You say "I'm sorry, I'll be waiting at home"
Like ships in the night (4) cannon	Feels like we're learning this out on our own
(5) fly	Trying to find a way down the road we don't know
Say what you mean and it turns to a fight	Turn the lights down low
Fist fly from my mouth as it turns south	Walk these (19) alone
You're down the driveway	We can (20) so far (21) so close
I'm on the couch	Like (22) in the night
Chasing your dreams since the violent 5th grade	You keep passing me by
Trying to believe in your (6) own way	We're (23) wasting time
'Cause we'll be ok	Trying to prove who's right
I'm not (7) away	And if it all goes crashing (24) the sea
Like you (8) at fourteen	If it's just you and me
As it (9) down the drain	Trying to find the light
And pops (10) the same	Like ships in the night
And your moms moved away	You're passing me by
How (11) of our parents	You're passing me by
Seem to make it anyway	Like ships in the night
We're just fumbling (12) the grey	And I'm gonna find my way
Trying find a heart that's not walking away	Back to your side
Turn the lights down low	Like ships in the night
Walk these halls alone	You keep (25) me by
We can feel so far from so close	We're just (26) time
Like (13) in the night	Trying to prove who's right
You (14) passing me by	And if it all goes (27) into the sea
We're just wasting time	If it's (28) you and me
Trying to prove who's right	Trying to find the light
And if it all goes crashing into the sea	Like ships in the night
If it's (15) you and me	You're passing me by
Trying to find the light	You're passing me by
Like ships in the night	Like ships in the night
You're passing me by
