Fill in the gaps

How Soon Is Now (Cover) by T.A.T.u.

I am the son and the heir	There's a club if you'd like to go
Of a shyness (1) is (2)	You could meet somebody
vulgar	Who really loves you
I am the son and the heir	So you go, and you stand on your own
Of nothing in particular	And you leave on your own
You (3) your mouth	And you go home
How can you say	And you cry and you want to die
I go about things the wrong way	When you say it's gonna happen "now"
I am human and I need to be loved	When exactly do you mean?
Just like everybody else does	See I've already waited too long
I am the son and the heir	And all my hope is gone
Of a shyness that is criminally vulgar	You (7) your mouth
I am the son and the heir	How can you say
Of nothing in particular	I go about things the wrong way
You shut (4) mouth	I am (8) and I need to be loved
How can you say	Just (9) everybody (10) doe:
I go about (5) the wrong way	
I am human and I need to be loved	
Just like (6) else does
