

Fill in the gaps

How long before I get in?			
Before it starts, before I begin			
How (1) you decide?			
Before I know (3) it (4) like			
Where to? Where do I go?			
If you've never tried then you'll (5) know			
How long do I have to climb			
Up on the (6) of this mountain of mine?			
Look up, I (7) up at night			
Planets are moving at the speed of light			
Climb up, up in the trees			
Every (8) you get			
Is a (10) you seize			
How long am I (11) stand			
With my (12) stuck under the sand?			
I'll stop before I can stop			
Or (13) I see (14) the right			
way up			
All that (15) and all that sound			
All those places I got found			
And birds go (16) at the speed of sound			
To (17) you how it all began			
Birds came flying from the underground			
If you could see it then you'd understand			
Ideas that you'll (18) find			
Or the inventors could never design			

The buildings that yo	ou put up		
Or Japan and China, all lit up			
The (19)	_ that I couldn't read		
Or a light that I couldn't see			
Some things you have to believe			
But others are puzzles, puzzling me			
All that noise and all that sound			
All those (20)	I got found		
And birds go flying at the speed of sound			
To show you how it all began			
Birds came flying from the underground			
If you could see it then you'd understand			
(Oh) when you see it then you'll understand			
All (21)	signs I knew what they r	neant	
Some things you can't invent			
Some get made and some get sent			
Birds go flying at the	(22) of sou	ınd	
To (23) you how it all began			
Birds came (24)	from the und	erground	
If you could see it then you'd understand			
(Oh) when you see i	t (25) you'll un	derstand
