

Fill in the gaps

Traffic crawls	(Oh) I know he is there
Cell (1) calls	Yeah, I (9) he's there
Talk radio (2) at me	Hello world
Through my tinted window I see	How've you been?
A (3) girl	Good to see you my old friend
Rust red minivan	Sometimes I feel
She's got	As cold as steel
Chocolate on her face	And (10) (11) I'm never
Got little hands	(12) to heal
And she waves at me	I see a light
Yeah, she (4) at me	A (13) grace
Hello world	A (14) unfurled
How've you been?	Hello world
Good to see you my old friend	Sometimes I forget (16) living's for
Sometimes I feel	And I hear my life (17) my
Cold as steel	(18) door
Broken like I'm never gonna heal	And I'll be there
I see a light	(Oh) I'm home again
A (5) hope	I see my wife
In a little girl	My (19) boy
Hello world	Little girl
Every day I drive by	Hello world
A (6) church	Hello world
It's got these	All the (20) disappears
Little (8) crosses	I remember why I'm here
Like angels in the yard	Just surrender and believe
Maybe I should	I fall down on my knees
Stop on in	(Oh) hello world
Say a prayer	Hello world
Maybe talk to God like	Hello world
He is there
