

Fill in the gaps

Walking down the highway
Traffic's coming my way
All I see are (1) lights
People there in blue suits
Wanna know the real truth
How many did I have tonight?
Looking at the wreckage
Anyone would guess that all inside had died
But I'm alive
Wake up in a (2) bed
Angels (3) my head
One of them is shouting clear
Thousand (4) of lightning
Bring me (5) to life
And it's a miracle that I'm still here
As I'm coming to I'm (6) out for you
I need you by my side
(Oh) I'm alive
No I didn't (7) to God
No I (8) saw the light
No I didn't watch my life
Go flashing right before my eyes
No I didn't do the things
That they all (9) that I would do
I (10) closed my eyes and all I saw was you
All the (11) in my head
All the (11) in my head Everything left unsaid

Knew that I adored you
The moment that I saw you
Just terrified you'd push me away
We're all dying slowly
Just want you to hold me
What are we waiting for?
We're alive
No I didn't pray to God
No I (13) saw the light
No I didn't watch my life
Go flashing right (14) my eyes
No I didn't do the things
That they all said that I would do
I just closed my eyes and all I saw was you
If I don't die lying in the rain
And I live another day then I run to you
'Cause I don't have regrets
Just (15) I'd (16) say out to you
No I didn't (17) to God
No I never saw the light
No I didn't (18) my life
Go (19) (20) before my
eyes
No I didn't do the things
That (21) all said that I would do
I just closed my (22) and all I saw was you

1. flashing

- 2. strange
