

## Fill in the gaps

I think of you and all you've done		You (12) me to let go
Tell me do you see me or (1)	I gone?	And I had my eyes closed
While the (2)	eyes are	Why (13) you wake me
(3) tears		If you're not gonna save me?
Have you just left me here?		You (14) me (15) you
I need to rush, the timing's wrong		And I didn't want to
But in (4) year, I (5)	be gone	Why would you wake me
In another time, in another place		If you're not (16) save me?
Would I (6) wake?		(Oh) so (17) talk to me
You told me to let go		Talk to me
And I had my eyes closed		(Oh) the things I hope are never (18) to be
Why would you wake me		Talk to me
If you're not gonna save me?		Please don't go
You make me want you		You told me to let go
But I didn't want to		And I had my eyes closed
Why would you wake me		Why would you wake me
If you're not gonna save me?		If you're not (19) (20) me?
I didn't know what you've become		You make me want you
I never (7) (8)	I'd see you run	And I didn't (21) to
Should (9) let me sleep		Why (22) you wake me
No you didn't need to be (10)	me	If you're not (23) save me?
It's chemical, you were never mine		You were (24) (25) to save m
When I needed you, couldn't even fight		
In another time, in (11)	place	
Would I even wake?
