

Hear a warning

Fill in the gaps

Strangers	From the borderline
Talking 'bout my life	And right in this moment
Changes	I'm in torment
They're gonna take my side	Hear your voice again
Revelation in the station	I say man
ls (1) a man	You're my midnight man
And right in this moment	Can't escape your voice on the radio
I'm in torment	I try it but I can't
Hear your voice again	(For I need you badly)
I say man	Man
You're my (2) man	You're my midnight man
Can't escape your voice on the radio	Hold me in your spider web
I try it but I can't	Midnight man
(For I (3) you badly)	I say man
Man	You're my midnight man
You're my midnight man	Can't escape (7) (8) on the radio
Hold me in your (4) web	I try it but I can't
Midnight man	(For I (9) you badly)
Rages	Man
Tearing up my mind	You're my midnight man
Pages	Hold me in your spider web
I'm (5) to (6) time	Midnight man
