And she wishes today

Fill in the gaps

Was one (5)_____ ago

One Year Ago (Live) by Lene Marlin She's walking there alone No one by her side She manages to fight the tears, but

No one by her side	When you cared so much for her
She manages to fight the tears, but	And loved her so
The pain inside	Not a (6) in her mind
She can't hide	That it would still be you
And all the tears she's cried	'Cause the (7) that you shared
The moment she closes her eyes, she starts	It was true
Thinking of you	She's walking there alone
The (1) that she had one time	No one by her side
Have gone away	She managed to fight the tears but
Will (2) ever come true?	The pain inside
All she needs is	She can't hide
All she needs is you	And she wishes today
All she needs is you	Was one year ago
And she wishes today	When you cared so much for her
Was one (3) ago	And (8) her so
When you cared so much for her	Not a (9) in her mind
And loved her so	That it would still be you
Not a doubt in her mind	'Cause the love that you shared
That it would still be you	It was true
'Cause the love that you shared	And she (10) today
It was true	Was one year ago
You never thought about it	When you cared so much for her
What you made her feel	And loved her so
You promised you'd (4) together	Not a doubt in her mind
But the hope she once had	That it would still be you
So unreal	'Cause the love that you shared
All she needs is	It was true
All she needs is you	
All she needs is you
