Fill in the gaps

One Year Ago (Live) by Lene Marlin

She's walking (1) alone	Was one (13) ago
No one by her side	When you cared so much for her
She manages to fight the tears, but	And (14) her so
The pain inside	Not a (15) in her mind
She can't hide	That it would still be you
And all the tears she's cried	'Cause the love (16) you shared
The moment she closes her eyes, she starts	It was true
Thinking of you	She's walking (17) alone
The dreams that she had one time	No one by her side
Have (2) away	She managed to fight the tears but
Will they (3) come true?	The pain inside
All she (4) is	She can't hide
All she (5) is you	And she (18) today
All she needs is you	Was one year ago
And she wishes today	When you cared so much for her
Was one (6) ago	And (19) her so
When you cared so much for her	Not a (20) in her mind
And loved her so	That it would still be you
Not a doubt in her mind	'Cause the love that you shared
That it would (7) be you	It was true
'Cause the love that you shared	And she wishes today
It was true	Was one year ago
You (8) thought about it	When you cared so much for her
What you (9) her feel	And loved her so
You (10) you'd stay together	Not a doubt in her mind
But the (11) she once had	That it (21) still be you
So unreal	'Cause the (22) that you shared
All she needs is	It was true
All she needs is you	
All she needs is you	
And she (12) today
