

How can you say you meant anything different

To anyone standing alone

(Get ready for action!)	On the street with a cigarette
I got to regret right now (I'm feeling this)	On the first night we met
The air is so cold and null (I'm (1) this)	Look to the past
Let me go in her room (I'm feeling this)	And remember her smile
I wanna (2) off her clothes (I'm feeling this)	And maybe tonight
Show me the way to bed (I'm feeling this)	I can breathe for a while
Show me the way you (3) (I'm feeling this)	I'm not in the seat
**** it, it's such a (4) (I'm feeling this)	I think I'm fallin' asleep
I love all the things you do (I'm feeling this)	But then all that it means is
Fate fell short this time	I'll always be dreaming of you
Your smile fades in the summer	Fate fell short this time
Place your hand in mine	Your smile (6) in the summer
I'll leave when I wanna	Place your hand in mine
Where do we go from here?	I'll leave when I wanna
Turn all the lights down now	Fate fell short this time
Smiling from ear to ear (I'm feeling this)	Your smile fades in the summer
Criming from ear to ear (riff feeling trile)	real entire tades in the earthree
