Fill in the gaps

(Get ready for action!)		On the street with a cigarette
I got to regret right now (I'm feeling this)		On the first night we met
The air is so cold and null (I'm feeling this)		Look to the past
Let me go in her (1) (I'm feeling this)		And remember her smile
I wanna take off her clothes (I'm feeling this)		And maybe tonight
Show me the way to bed (I'm feeling this)		I can breathe for a while
Show me the way you move (I'm feeling this)		I'm not in the seat
**** it, it's such a blur (I'm feeling this)		I think I'm fallin' asleep
I love all the things you do (I'm (2)	this)	But then all (6) it means is
Fate fell short this time		I'll always be dreaming of you
Your smile (3) in the summer		Fate fell short this time
Place (4) hand in mine		Your smile fades in the summer
I'll leave when I wanna		Place your hand in mine
Where do we go from here?		I'll leave when I wanna
Turn all the lights down now		Fate fell short this time
Smiling from ear to ear (I'm feeling this)		Your smile fades in the summer
Our breathing has got too loud (I'm feeling this)		Place your hand in mine
Show me the bedroom floor (I'm feeling this)		I'll leave when I wanna
Show me the bathroom mirror (I'm feeling this)		Fate fell short this time
We're taking this way too slow (I'm feeling this)		Your (7) fades in the summer
Take me away (5) here (I'm feeling this)		Place your hand in mine
Fate fell short this time		I'll leave when I wanna
Your smile fades in the summer		Fate fell short this time
Place your hand in mine		Your smile fades in the summer
I'll leave when I wanna		Place your hand in mine
Fate fell short this time		l'II (8) I wanna
Your smile fades in the summer		Fate (10) short this time
Place your hand in mine		Your smile fades in the summer
I'll leave when I wanna		Place your hand in mine
This place was never the same again		I'll leave when I wanna
After you came and went
