

Fill in the gaps

The Pursuit Of Vikings by Amon Amarth

The (1) sun returns again	A ram is sacrificed
And melts away the snow	Across the longship's bow
The sea is freed (2) icy chains	And as we set our sails
Winter is letting go	A (13) breeze (14) to blow
Standing on the ocean side	It carries us out to sea
We can (3) the waves	With hope of (15) and pride
Calling us out (4) tide	And glorious all (16) be
To (5) (6) our fate	That (17) (18) in (19) will
Oden!	die
Guide our ships	Oden!
Our axes, spears and swords	Guide our ships
Guide us through storms (7) whip	Our Axes, (20) and swords
And in brutal war	Guide us (21) storms that whip
Our (8) us by the shore	And in brutal war
Time has (10) to leave	Oden!
Our country, family and homes	Guide our ships
For riches in the east	Our Axes, spears and swords
Some of us won't return	Guide us (22) (23)
But that won't bring us down	(24) whip
Our (11) is (12) in the web	And in (25) war
Woven by the Norns
