#### Runes To My Memory by Amon Amarth

| We (1) the rivers of the Eastern trail | I tilt my head to the side    |
|--|-------------------------------|
| Deep in the land of the Rus'           | And think of those back home  |
| Following the wind in our sails        | I see the river rushing by    |
| And the rhythm of the oars             | Like blood runs from my wound |
| No shelter in this hostile land        | Here I lie on wet sand        |
| Constantly on guard                    | I will not make it home       |
| Ready to fight and defend              | I clinch my (7) in my hand    |
| Our (2) 'til the (3) end               | Say farewell to those I love  |
| We came under attack                   | When I am dead                |
| received a deadly wound                | Lay me in a mound             |
| A spear was forced into my back        | Place my weapons by my side   |
| Still I (4) on                         | For the (8) to Hall up high   |
| When I am dead                         | When I am dead                |
| _ay me in a mound                      | Lay me in a mound             |
| Raise a stone for all to see           | Raise a stone for all to see  |
| Runes carved to my memory              | Runes carved to my memory     |
| Here I lay on the river bank           | To my memory                  |
| 4 long, (5) way (6) home               | To my memory                  |
| _ife is pouring out of me              |                               |
