Better Than Revenge by Taylor Swift

The story starts when it was hot			She's better (5) for the things that she does
And it was summer and			On the mattress (whoa)
I had it all			Soon she's gonna find
I had him right (1)	(2)	I wanted him	Stealing other people's toys
She came along			On the playground
Got him alone			Won't make you many friends
And let's hear the applause			She should keep in mind
She took him faster than you can say sabotage			She should keep in mind
I never saw it coming			There is nothing I do better than revenge
Wouldn't have suspected it			(Ha ha)
I underestimated			I'm just another thing
Just who I was dealing with			For you to roll (6) eyes at, honey
She had to know			You might have him
The pain was beating on me like a drum			But haven't you heard?
She underestimated			I'm (7) another thing
Just who she was stealing from			For you to roll your eyes at, honey
She's not a saint and she's not what you think			You might have him
She's an actress (whoa)			But I always get the last word
She's better known for the things that she does			(Whoa)
On the mattress (whoa)			
Soon she's gonna find			She's not a saint and she's not what you think
Stealing other people's toys			She's an actress (whoa)
On the playground			She's better known for the things that she does
Won't make you many friends			On the mattress (whoa)
She should keep in mind			Soon she's gonna find
She should keep in mind			Stealing other people's toys
There is nothing I do better than revenge			On the playground
(Revenge, ha)			Won't make you many friends
She looks at life like it's a party			She should keep in mind
And she's on the list			She should keep in mind
She looks at me like I'm a trend			There is nothing I do better than revenge
And she's so over it			And do you still feel like
I think her ever (3)	frown		You know what you're doing
Is a little troubling and			'Cause I don't think you do
She thinks I'm psycho			(Oh)
'Cause I like to rhyme her name with things, but			Do you (8) feel like you know what you're doing
Sophistication isn't what you wear			I don't think you do
Or who you know			I don't think you do
Or pushing people down			Let's hear the applause
To get you where you (4) go			C'mon show me how much better you are
Oh they didn't teach you that in prep school			See you deserve some applause
So it's up to me			'Cause you're so much better
But no amount of vintage dresses			She took him faster (9) you can say sabotage
Gives you dignity
