They Don't Know About Us by One Direction

People say we shouldn't be together	They don't know about us
We're too young to know about forever	They don't know how special you are
But I say they don't know	They don't know what you've (5) to my hear
What they talk talk in' about	They can say anything they want
(Talk talk talkin' about)	'Cause they don't know about us
'Cause this love is (1) getting stronger	They don't know what we do best
So I (2) wanna wait any longer	That's between me and you our little secret
I just wanna tell the world that you're mine girl	But I wanna tell 'em
(Oh)	I wanna tell the world that you're mine girl
They don't know about the things we do	They don't know about the things we do
They don't know about the I love you's	They don't know about the I love you's
But I bet you if they only knew	But I bet you if they only knew
They will just be jealous of us	They will just be jealous of us
They don't know about the up all night's	They don't know about the up all night's
They don't know I've waited all my life	They don't know I've (6) all my life
Just to (3) in love it feels this right	Just to find a love that feels this right
Baby they don't know about	Baby they don't know about
They don't know about us	They don't know about the things we do
Just one touch and I was a believer	They don't know about the I love you's
Every day it gets a little sweeter	But I bet you if they only knew
It's getting better	They (7) just be jealous of us
Keeps getting better all the time girl	They don't know about the up all night's
They don't know about the things we do	They (8) know I've waited all my life
They don't know about the I love you's	Just to find a love that feels (9) right
But I bet you if they only knew	Baby they don't know about
They will just be jealous of us	They don't know about us
They don't know about the up all night's	They don't know about us
They don't know I've waited all my life
