

Fill in the gaps

Silence by Michael Kiske & Amanda Somerville

Is it just a dream	I'm running in the night
Or is it just a déjà vu from nowhere?	Got nowhere else to hide
I (1)_____ myself	I'm looking through this wounding heart (8)_____
My feelings where hurt long ago	me
Just curious in the middle of a lonely road	I'm walking without aim
I (2)_____ (3)_____ away through the day	No destination (9)_____ rain
I'm running in the night	Or is it just the end my lonely road
Got nowhere (4)_____ to hide	I am (10)_____ for a fight
I'm looking through (5)_____ wounding heart inside me	No matter how you try
I'm walking without aim	I would be the one surviving without fortress
No (6)_____ pouring rain	I would mend my broken heart
Or is it just the end my lonely road	You can't tear it apart
Hear it now	Or is it just the end my lonely road
I wonder how can feelings hurt	Hear it now
Hear it now	I wonder how can feelings hurt
When silence speaks louder than words	Hear it now
No regret	When silence speaks louder than words
Another morning in another place	Hear it now
No (7)_____ back,	I walk the boulevard of lonely dreams
Just turn myself away	Hear it now
There is innocence	No matter if
And silence that starts long ago	If my end is near
A destiny without you
