Anything at all

Fill in the gaps

Every (1)	every (1) I look into your lovely eyes		You got it		
I see a (2)	that (3)	just can't buy	Baby		
One look			Anything you want (you	u got it)	
From you			Anything you (8)	(you got it)	
I drift			Anything at all		
Away			(You got it)		
I pray			I'm glad		
That you			To give		
Are here			My love		
To stay			To you		
Anything you want			I know		
You got it			You feel		
Anything you need			The way		
You got it			I do		
Anything at all			Anything you want		
You got it			You got it		
Baby			Anything you need		
Every (4) I (5) you			You got it		
I (6) to understand			Anything at all		
Everything about you			You got it		
Tells me I'm (7)	man		Baby		
I live			Anything you want		
My life			You got it		
To be			Anything you need		
With you			You got it		
No one			Anything at all		
Can do			You got it		
The things			Baby		
You do			Anything at all (you go	t it)	
Anything you want			Baby		
You got it			You got it		
Anything you need
