

Fill in the gaps

On a hippie trail, head full of zombie I met a strange lady She made me nervous She took me in and (1) me breakfast And she said "Do you come from a land down under? Where women glow and men plunder? Can't you hear, can't you hear the thunder? You better run, you (2) take cover" Buying (3) from a man in Brussels He was six foot four and full of muscles I said, "Do you speak-a my language?" He just smiled and gave me a vegemite sandwich And he said "I come from a land down under Where beer does flow and men chunder Can't you hear, can't you (4) the thunder?
