

Fill in the gaps

Traveling in a fried-out combie	Because I come (6) the land of plenty?
On a hippie trail, head full of zombie	And he said
I met a strange lady	"Do you come from a land down under?
She made me nervous	(Oh yeah, yeah)
She took me in and (1) me breakfast	Where women glow and men plunder?
And she said	Can't you hear, can't you hear the thunder?
"Do you come from a land down under?	
Where women glow and men plunder?	You better run, you better take cover"
Can't you hear, can't you hear the thunder?	
You (2) run, you (3) take	Living in a land (7) under
cover"	Where women (8) and men plunder
Buying bread from a man in Brussels	(Yeah)
He was six foot four and full of muscles	Can't you hear, can't you hear the thunder?
I said, "Do you speak-a my language?"	You better run, you better take cover
He just smiled and gave me a vegemite sandwich	Living in a land down under
And he said	Where women glow and men plunder
"I come from a land down under	Can't you hear, can't you hear the thunder?
Where beer (4) flow and men chunder	(Oh yeah)
Can't you hear, can't you hear the thunder?	You better run, you (9) take cover
You better run, you (5) take cover", yeah	
Dying in a den in Bombay	
With a slack jaw, and not much to say	
I said to the man, "Are you trying to tempt me
