What's Left Of Me by Nick Lachey

Fill in the gaps

Watched my life pass me by	Falling faster
In the (1) mirror	Barely breathing
Pictures frozen in time	Give me somethin to (7) in
Are becoming clearer	Tell me it's not all in my head
I don't wanna waste another day	Take what's left of this man
Stuck in the shadow of my mistakes, yeah	Make me (8) once again
'Cause I want you	'Cause I want you
And I feel you	And I (9) you
Crawling underneath my skin	Crawling underneath my skin
Like a hunger, like a burning	Like a hunger, like a burning
To find a place I've never been	To find the place I've never been
Now I'm broken, and I'm faded	Now I'm broken, and I'm faded
I'm half the man I (2) I (3) be	I'm half the man I thought I would be
But you can have	You can have, all that's left
What's left of me	
I've been dying inside	What's left of me
Little by little	
Nowhere to go	I've been dying inside you see
I'm going outta my mind	I'm goin outta my mind (outta my mind)
An endless circle	I'm just running in circles all the time
Runnin from (4) until	Will you take what's left?
You gave me a reason for standing still	Will you take what's left?
And I want you	Will you take what's left?
And I (5) you	I'm just runnin' in circles in my mind
Crawling underneath my skin	Will you take what's left?
Like a hunger, like a burning	Will you take what's left?
To (6) a place I've never been	Will you (10) what's left?
Now I'm broken, and I'm faded	Will you take what's left of me?
I'm half the man I thought I would be	
But you can have
