

## Fill in the gaps

Head under water	'Cause you tell me it's
And they tell me to breathe easy for a while	Make or break in this
The breathing gets harder, (1) I know that	If you're on your way
You made room for me but it's too soon to see	I'm not gonna write you to stay
If I'm happy in your hands	If all you have is leaving
I'm unusually hard to hold on to	I'm gonna need a better reason
Blank stares at blank pages	To write you a love song today
No easy way to say this	Promise me that you'll leave the light on
You mean well	To help me see with daylight, my guide, gone
But you make this hard on me	'Cause I believe there's a way you can love me
I'm not gonna write you a love song	Because I say
'Cause you asked for it	I won't write you a love song
'Cause you (2) one, you see	'Cause you asked for it
I'm not gonna write you a (3) song	'Cause you need one, you see
'Cause you tell me it's	I'm not gonna write you a love song
Make or break in this	'Cause you tell me it's make or break in this
If you're on your way	Is that why you wanted a love song
I'm not gonna (4) you to stay	'Cause you asked for it
If all you have is leaving	'Cause you need one, you see
I'm gonna need a better reason	I'm not gonna write you a love song
To write you a love song today	'Cause you tell me it's make or break in this
Today	If you're on your way
I learned the (5) way	I'm not gonna (9) you to stay
That (6) all say things you want to hear	If your heart is nowhere in it
My heavy heart sinks deep down under you	I don't want it for a minute
And (7) twisted words	Babe, I'll walk the seven seas when I believe that
Your help just hurts	There's a reason to write you
You are not what I thought you were	A love song today
Hello to high and dry	Today
Convinced me to please you	Hey, today
Made me think that I need this too	I won't write you a love song (yeah!)
I'm trying to let you hear me as I am	Today
I'm not (8) write you a love song	I won't write you a (10) song
'Cause you asked for it	Today
'Cause you need one, you see	
I'm not gonna write you a love song
