Fill in the gaps

Young And Beautiful by Lana Del Rey

I've seen the world		When I've got nothing
Done it all		But my aching soul
Had my (1) now		l know you will
Diamonds, brilliant		l know you will
And Bel Air now		I know that you will
Hot summer nights		Will you still love me
Mid-July		When I'm no longer beautiful
When you and I were (2)	wild	Dear Lord, when I get to Heaven
The crazy days		Please let me bring my man
City lights		When he comes, tell me that you'll let him in
The way you'd play with me like a child		Father, tell me if you can
Will you still love me		All (8) grace
When I'm no longer		All that body
Young and beautiful		All that face
Will you (3) love me		Makes me wanna party
When I've got nothing		He's my sun
But my aching soul		He makes me shine
I (4) you will		Like diamonds
I know you will		Will you still love me
I know that you will		When I'm no longer
Will you (5) love me		Young and beautiful
When I'm no longer beautiful		Will you still love me
I've seen the world, lit it up		When I've got nothing
As my stage now		But my aching soul
Channeling angels in		l know you will
The new age now		l know you will
Hot summer days		I know that you will
Rock and roll		Will you (9) love me
The way you'd play for me at your show		When I'm no longer beautiful
And all the ways		Will you still love me
I got to know		When I'm no longer beautiful
Your (6) face and electric soul		Will you still love me
Will you still love me		When I'm not young and beautiful
When I'm no longer		
Young and beautiful		
Will you still (7) me
