## Let's Make A Night To Remember by Bryan Adams

I love the way you look tonight		Let's do something that's all the way	
With your hair hanging down on your shoulders		'Cause I never touched somebody	
And I love the way you dance your slow sweet tango		Like the way I touch your body	
The way you wanna do everything but talk		Now I never want to let your body go	
And how you stare at me with those undress me eyes		Let's make a night	
Your breath on my body makes me warm inside		To remember	
Let's (1) out		From January	
Let's do something amazing		To December	
Let's do something that's all the way		Let's make love	
'Cause I never (2)	somebody	To (4)	us
Like the way I touch your body		A memory	
Now I never want to let your body go		To ignite us	
Let's make a night		Let's make honey, baby	
To remember		Soft and tender	
From January		Let's (5) sugar, darling	
To December		Sweet surrender	
Let's make love		Let's (6) a night	
To excite us		To remember	
A memory		All life long	
To ignite us		(Oh) I think about you all the time	
Let's make honey, baby		Can't you see you drive me outta my mind	
Soft and tender		Well, I'm never hodin' back again	
Let's make sugar, darling		Ya, I never (7)	this night to end
Sweet surrender		'Cause I never touched somebody	
Let's make a night		Like the way I (8)	your body
To remember		Now I never want to let (9) body go	
All life long		Let's (10)	a night
I (3) the way you mov	e tonight	To remember	
Beads of sweat dripping down your skin		From January	
Me lying here		To December	
And you lying there			
Our shadows on the wall and our	hands everywhere
