

## Fill in the gaps

If shame had a face	I tried to tame this mind
I think it would kind of look like mine	You (6) (7) that
If it had a home would it be my eyes	(8) tried
Would you believe me if I said I'm tired of this	To beat this
Well here we go now one more time	So when will this end
'Cause I tried to climb (1) steps	It goes on and on
I tried to chase you down	Over and over again
I tried to see	Keep spinning around
How low I can get down to the ground	I know that it won't stop
I tried to earn my way	'Till I step down from this
I tried to tame this mind	Sick cycle carousel
You better (2) that I have tried	This is a sick cycle, yeah
To beat this	Sick cycle carousel
So when will this end	This is a sick cycle, yeah
It goes on and on	
Over and (3) and over again	So when will this end
Keep spinning around	It goes on and on
I know that it won't stop	Over and over again
'Till I step down (4) this for good	Keep spinning around
I never thought I'd end up here, never	I know that it won't stop
Thought I'd be standing where I am	'Till I step (9) from this for good
I guess I kind of thought	Sick cycle carousel
That it (5) be easier than this	Sick cycle carousel
I guess I was wrong now one more time	Sick (10) carousel
'Cause I tried to climb your steps	Sick cycle carousel
I tried to chase you down	Sick cycle carousel
I tried to see	Sick cycle carousel
How low I can get down to the ground	Sick cycle
I tried to earn my way
