Sick Cycle Carousel by Lifehouse

I tried to earn my way

Fill in the gaps

If shame had a face	I tried to tame this mind
I think it would kind of look like mine	You better believe that I have tried
If it had a home would it be my eyes	To (6) this
Would you believe me if I said I'm (1) of this	So when will this end
Well here we go now one more time	It goes on and on
'Cause I tried to climb (2) steps	Over and over and over again
I tried to chase you down	Keep spinning around
I tried to see	I know that it won't stop
How low I can get down to the ground	'Till I step down from this
I tried to earn my way	Sick cycle carousel
I tried to tame this mind	This is a sick cycle, yeah
You better believe that I have tried	Sick cycle carousel
To beat this	This is a sick cycle, yeah
So when will this end	
It goes on and on	So when will this end
Over and over again	It goes on and on
Keep spinning around	Over and over again
I know (3) it won't stop	Keep spinning around
'Till I step down from this for good	I know that it won't stop
I never thought I'd end up here, never	'Till I step (7) from this for good
Thought I'd be (4) where I am	Sick cycle carousel
I guess I kind of thought	Sick cycle carousel
That it would be easier than this	Sick cycle carousel
I guess I was wrong now one more time	Sick cycle carousel
'Cause I tried to climb (5) steps	Sick (8) carousel
I tried to chase you down	Sick cycle carousel
I tried to see	Sick cycle
How low I can get down to the ground
