

I see you, you know I see you

Fill in the gaps

You were never young, my love	I (17) through
I can tell, not by the way that you smell	To get to you
But by the way you move (1) tongue, my love	It's so true, it's so true
Somebody shake me	I see you
What can I do?	You know (18) I see you
Am I in (2) with the night?	And you (19) that it don't cost a thing
Am I in love with you?	For us to see this through
Will you take what I've got?	I crossed the party line
Will we die on the spot?	And lost it just to find it
Too soon to say	All the people fall (20) the beat
What's (3) name, anyway?	And get behind it
You make me	I want you to myself
Make moves	Can we (21) this somewhere else?
I see you, you know I see you	My heart's an open book
I (4) through	And you just took it off the shelf
To get to you	You make me make moves
It's so true, it's so true	I see you
I see you	You (22) I see you
You know that I see you	I break through
And you know that it don't (5) a thing	To get to you
For us to see this through	It's so true, it's so true
When you came into focus	I see you
How could I?	You know that I see you
How (6) I (7) I didn't notice?	And you know that it don't cost a thing
An incision (8) you (9) back	For us to see (23) through
You (10) me (11) vision right	Touch me it's true
(12) the pack	I see you
Will you (13) what I've got?	You know that I see you (I see you, I see you)
Will we die on the spot?	And you know (24) it don't cost a thing
Too soon to say	For us to see (25) through
What's (14) name, anyway?	
You (15) me (16) moves
