

Fill in the gaps

I (1) God	Surrounded
On the corner of 1st and Amistad	Surrounded
Where the (2) was all but won	Why'd you have to wait?
All alone	Where were you?
Smoking his last cigarette	Where (14) you?
I said "where you been?"	Just a (15) late
He (3) "ask anything"	You found me
Where (4) you	You (16) me
When everything was falling apart?	The early morning
All my days	The city breaks
Were (5) by the telephone	And I've been calling
That (6) rang	For years and years and (17) and years
And all I needed was a call	And you never left me no messages
That never came	You (18) (19) me no letters
To the (7) of 1st and Amistad	You got some kind of nerve
Lost and insecure	Taking all I want
You found me	Lost and insecure
You (8) me	You (20) me
Lying on the floor	You found me
Surrounded	Lying on the floor
Surrounded	Where were you?
Why'd you have to wait?	Where were you?
Where were you?	Lost and insecure
Where (9) you?	You found me
Just a little late	You found me
You found me	Lying on the floor
You found me	Surrounded
But in the end	Surrounded
Everyone (10) up alone	Why'd you have to wait?
Losing her	Where were you?
The (11) one who's (12) known	Where were you?
Who I am	Just a little late
Who I'm not and who I wanna be	You (21) me
No way to know	You found me
How (13) she will be next to me	Why'd you have to wait
Lost and insecure	To (22) me
You found me	To find me?
You found me	
Lying on the floor
