

## Fill in the gaps

Let's go back	My sanity
Back to the beginning	'Cause I wanna feel the thunder
Back to when the earth, the sun	I wanna scream
The stars all aligned	Let the rain fall down
'Cause perfect, didn't feel so perfect	I'm coming clean
Trying to fit a (1) (2) a circle	I'm coming clean
Was no life	I'm coming clean
I defy	
Let the rain fall down	Let the rain fall
And wake my dreams	Let the (8) fall
Let it wash away	I'm coming
My sanity	Let the rain fall down
'Cause I (3) feel the thunder	And wake my dreams
I (4) scream	Let it wash away
Let the rain (5) down	My sanity
I'm coming clean	'Cause I (9) feel the thunder
I'm coming clean	I wanna scream
	Let the rain fall down
I'm shedding	I'm coming clean
Shedding every color	(Oh) I'm coming clean
Trying to find a pigment	(Oh) I'm coming clean
Of truth beneath my skin	Let the rain fall
	Let the (10) fall
'Cause different	Let the rain fall
Doesn't feel so different	I'm coming clean
And going out is better	
Than always staying in	Let's go back
Feel the wind	Back to the beginning
Let the (6) (7) down	
And wake my dreams	
Let it wash away
