Where The Streets Have No Name by U2

...
I want to run
I want to hide
I want to (1)_____ down the walls
That hold me inside
I want to reach out
And touch the flame, yeah
Where the streets have no name
I want to feel sunlight on my face
I see the dust cloud disappear
Without a trace
I wanna take shelter
From the (2)_____ rain, yeah
Where the streets have no name
...
Where the streets have no name
Where the streets have no name
We're still building, then burning down love
Burning (3)_____ love
And when I go there
I go there with you
It's all I can do
The city's a flood
And our love (4)_____ to rust
We're beaten and blown by the wind

Trampled in dust
I'll show you a place
High on a desert plain
Where the streets have no name
...
Where the streets have no name
Where the streets have no name
We're still building, then burning down love
Burning down love
And when I go there
I go there with you
It's all I can do
Our love turns to rust
We're (5)_____ and blown by the wind
Blown by the wind...
See our love turn to rust
I'll be beaten and (6)_____ by the wind
Blown by the wind
(Oh) and when I go there
I go there (7)_____ you
It's all I can do
...
