Where The Streets Have No Name by U2

		Trampled in dust	
I (1) to run		l'Il (7) you a place	
I (2) to hide		High on a desert plain	
I want to tear (3) the walls		Where the streets have no name	
That hold me inside			
I want to reach out		Where the (8)	_ have no name
And touch the flame, yeah		Where the streets have no name	
Where the streets have no name		We're still building, then burning down love	
I want to feel sunlight on my face		Burning down love	
I see the dust (4)	disappear	pear And when I go there	
Without a trace		I go (9) with you	
I wanna take shelter		It's all I can do	
From the poison rain, yeah		Our love turns to rust	
Where the streets have no name		We're beaten and blown by the wind	
		Blown by the wind	
Where the streets have no name		See our love turn to rust	
Where the (5)	have no name	I'll be beaten and (10)	by the wind
We're still building, then burning down love		Blown by the wind	
Burning down love		(Oh) and when I go there	
And when I go there		I go there with you	
I go there with you		It's all I can do	
It's all I can do			
The (6)	a flood		
And our love turns to rus	t		
We're beaten and blown	by the wind
