Where The Streets Have No Name by U2

•••	Trampled in dust
I (1) to run	l'Il (21) you a place
I (2) to hide	High on a desert plain
I want to tear (3) the walls	Where the streets have no name
That (4) me inside	
I (5) to reach out	Where the streets have no name
And touch the flame, yeah	Where the streets have no name
Where the (6) have no name	We're still building, then burning down love
I (7) to feel sunlight on my face	Burning down love
I see the (8) disappear	And (22) I go there
Without a trace	I go there (23) you
I wanna (10) shelter	It's all I can do
From the poison rain, yeah	Our love turns to rust
Where the streets (11) no name	We're beaten and blown by the wind
	Blown by the wind
Where the streets (12) no name	See our love turn to rust
Where the (13) no name	I'll be beaten and blown by the wind
We're still building, (15) (16)	Blown by the wind
(17) love	(Oh) and when I go there
Burning down love	I go there (24) you
And when I go there	It's all I can do
I go there with you	
It's all I can do	
The (18) a flood	
And our love (19) to rust	
We're (20) and blown by the wind
