## Where The Streets Have No Name by U2

	Trampled in dust
I (1) to run	l'll (7) you a place
I want to hide	High on a desert plain
I want to tear down the walls	Where the streets have no name
That hold me inside	
I want to reach out	Where the streets have no name
And touch the flame, yeah	Where the streets have no name
Where the streets (2) no name	We're still building, then burning down love
I want to (3) (4) on my face	Burning (8) love
I see the dust cloud disappear	And when I go there
Without a trace	I go there with you
I wanna take shelter	It's all I can do
From the poison rain, yeah	Our love turns to rust
Where the streets have no name	We're (9) and blown by the wind
	Blown by the wind
Where the streets have no name	See our love turn to rust
Where the streets have no name	I'll be beaten and blown by the wind
We're still building, then burning down love	Blown by the wind
Burning down love	(Oh) and when I go there
And when I go there	I go there with you
I go there with you	It's all I can do
It's all I can do	
The (5) a flood	
And our love (6) to rust
