

Love Is Blindness by U2

Love is blindness	Oh, my love
I don't want to see	Blindness
Won't you wrap the night	A little death
Around me?	Without mourning
Oh, my love	No call
Love is blindness	No warning
In a (1)_____ car	Baby, a (5)_____ idea...
In a crowded street	That almost makes sense
You see your love	Love is drowning
Made complete	In a deep well
Thread is ripping	All the secrets
The (2)_____ is slipping	And no one to tell
Love is blindness	Take the money
Love is clockworks	Honey
And cold steel	Blindness
Fingers too numb to feel	Love is blindness
Squeeze the handle	I don't want to see
Blow out the candle	Won't you (6)_____ the night
Blindness	Around me?
Love is blindness	Oh, my love
I don't (3)_____ to see	Blindness
Won't you (4)_____ the night	
Around me?
